

MEERHOLZ

MEERHOLZ CANADA
CRANES, HOISTS, & LIFTS

AIR HOIST RENTALS AVAILABLE NOW!

10 Ton JDN Profi10Ti

Hook Mounted Air Chain Hoists
10 Metric ton Lifting Capacities

45ft Lift Heights c/w Pneumatic Pendants

Optional 90ft Lift Height with single reeve however this brings the Maximum Capacity to 5 metric Tons

4 UNITS AVAILABLE FOR RENT \$3000.00 each per month

Confined Spaces

The body work of the hoists are small enough allowing you to use them in confined spaces.

100% duty cycle

Air hoists can be operated continuously, as air motors do not heat up!

Accurate load spotting

Simple pull chain speed and directional controls provide precise spotting capabilities. Easy to operate pendant air valves provide a variable control signal with adjustable response by a variable orifice. Complete control, from an inching crawl to full speed, is available.

Hercu-Link HA2-025H™

Hook Mounted Air Chain Hoists

25 Metric ton Lifting Capacities

40ft Lift Heights c/w Pneumatic Pendants

2 UNITS AVAILABLE FOR RENT \$3300.00 each per month

25 ton Hand Geared Trolley's with 40ft of Chain

2 UNITS AVAILABLE FOR RENT \$1500.00 each per month

No electrical hazard

As no electricity is used, the freedom from electrical and the use of air power in explosive and all other environments are an obvious advantage. This is why air hoists are used extensively in flammable environments, found in chemical plants, refineries, etc.

Size

In comparison to electric hoists these units are a third in size.
